

Workshops

Workshops provide an extended forum for small groups (15-20 people) to exchange ideas on a specific topic of common interest. CHI 2000 offers workshops covering a wide range of HCI topics.

Workshops will be held on Sunday and Monday, 2-3 April 2000.

Workshop Participation

Workshop participants are selected on the basis of position papers submitted directly to a workshop's organizer. A position paper is generally 2-4 pages long and outlines the submitter's views on the workshop theme and the reasons for the submitter's interest in the topic. Check each workshop for specific information.

Position Paper Deadline

Position papers must be received by **28 January 2000**. Submitters will be notified of selection by 4 February 2000. Accepted workshop participants will be charged a registration fee of US\$75/NLG 150 for a one-day workshop and US\$150/NLG 300 for a one-and-a-half or two-day workshop.

Workshop Registration

To take advantage of reduced conference fees, register for the conference by the early deadline 18 February 2000 even if you have not yet received notification of workshop acceptance. If you receive notification *after* registering for the conference, please send workshop payment to the Registration Office along with a note including the name of your workshop and your name, address, telephone, fax and email. If you receive notification of workshop acceptance *before* registering for the conference, you may register for the workshop on the conference registration form (also available online). Just complete the designated workshop section and include your workshop payment along with your conference payment.
